Directions for Circulating Christopher Kasperski's Petition

1. You need not have voted in a previous Republican Primary and may even have voted in a Democrat Primary or not even have voted in a primary at all.
2. You must personally witness all signatures made on this petition.
3. You may sign your own petition if you are a registered voter within the district.
4. You may pass this petition anywhere in the Senate district.

6. Petitions with fewer than 15 names do count. If you are not able to fill a petition, send in a partial list. Each name counts.
7. If you learn a signature is not valid, do not worry. Bad signatures do not knock out other good signatures or invalidate a petition. HOWEVER, known bad signatures should be brought to the attention of the campaign, so that they can be officially deleted. A circulator who recklessly and routinely disregards the signature gathering rules may have an entire sheet stricken even though some signatures are valid.
8. You must sign as the circulator of the petition before a Notary Public licensed in Illinois and the Notary Public must affix his/her seal or stamp. Most banks and libraries will notarize free of charge. The county of blank is the county where you sign before a notary.
9. DO NOT number the petition page.
